ADOPTION OF  
TIME SCHEDULE ORDER  
(NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT NO. CA0081744)

FOR

GRIZZLY LAKE COMMUNITY SERVICES DISTRICT  
DELLEKER WASTEWATER TREATMENT PLANT  
PLUMAS COUNTY

The Grizzly Lake Community Services District (Discharger) owns and operates the Delleker Wastewater Treatment Plant (Facility) and discharges up to 0.1 million gallons per day (design flow) of treated wastewater into the Middle Fork of the Feather River, a water of the United States. The treatment system consists of a headworks distribution box (no screening), five facultative treatment ponds, and chlorination/dechlorination. The discharge of wastewater from the Facility is regulated under existing Waste Discharge Requirements (WDRs) Order R5-2012-0046 and National Pollutant Discharge Elimination System (NPDES) permit No. CA0081744. Time Schedule Order (TSO) R5-2012-0047 was adopted on 8 June 2012 to provide the Discharger time to comply with final total recoverable copper effluent limitations, which were implemented in WDRs Order R5-2012-0046. On 16 October 2018, the Discharger submitted a request and justification for additional time to comply with the final copper effluent limitations.

Comments on the proposed TSO must be submitted, in writing, to the Central Valley Regional Water Quality Control Board (Central Valley Water Board), no later than 5:00 p.m. on **29 November 2018**. Written materials or comments, including emails, submitted after 5:00 p.m. on **29 November 2018** will not be accepted and will not be incorporated into the administrative record, absent a ruling by the Board Chair. Any party requesting to submit late materials must demonstrate good cause for the late submission and the Board Chair must find that accepting the late submission will not prejudice the Central Valley Water Board or any designated party.

Any member of the public may request an oral hearing before the Executive Officer. If no oral hearing is requested, the public comment period, and the Executive Officer's review of the administrative record, including any written comments, shall constitute the public hearing (California Water Code § 13385, subdivision (j)(3)(C)(ii)(II)).
